My name is Vergas. I was the castle's doctor .....
but at least he was human.
The Count wasn't always like that. He was a cold-hearted man .....

He changed
!!!
But, 7 years ago, he obtained this...
He began to cut off lives as he pleased. Treating people as if they are not human beings, but as dolls! He mutilated, raped and devoured, he hunt for
Pagan worshiper's hunt is just an excuse for him to obtain more bodies.

I could not endure that So with my wife and two sons I secretly fled from the castle ..... But We were cought on the way..
.....
He then mutilated me .....
and, right in front of my eyes, my wife and ..... my son
I still remember the scene very clearly.

I was so scared like a captive of fear
At that time
Instead of anger or sorrow
Instead of concern for my wife and sons
I used a drug that I had to fake my death then...
.....
when I had a chance I slipped out from the castle, taking this thing with me ..... It was a miracle
.....
